INSPIRING JOURNEYS

Itineraries are being created to offer back-to-back voyage opportunities for longer stays, as well as extended port stays for deeper explorations of local culture.

LUXURIOUSLY SPACIOUS

With 50% more living space per guest than currently available in an all-suite nautical setting, our suite accommodations offer the new standard for privacy and guest-centric design.

FOLLOWING THE SUN

The first itineraries for the Four Seasons Yacht will invite travelers on journeys to exclusive ports of call throughout the Mediterranean and the Caribbean, following the sun with thoughtful itineraries.

Anticipated to set sail in late 2025.

Reservations for select voyages expected to open second half of 2023.

DINE THE WORLD

Eleven onboard restaurant and bar locations celebrate Four Seasons history of culinary innovation and attention to guest preferences, all of which is paired with remarkable sea views.

An expansive pool deck creates moments of utmost leisure and relaxation while also transforming into an outdoor theatre and event space.

UNPARALLELED SEA ACCESS

First of its kind, our innovative transverse Yacht marina spans from port to starboard, maximizing access to an abundance of water-based activities while in port.

DESTINATION EXPERIENCES AND SHORE ACTIVITIES

- Our **unique** and **exclusive** shore experiences will be highly **personalized** and **individualized**, offering **deeper connections** with the destinations and locals.
- We will offer a wide choice of “modules” (or “building blocks”), from which guests can build the excursions experience perfectly suited to their needs and wishes. These modules both focus on **breadth** of different things and **depth** of experiences.
- We need local partners that have “**access**” to unique venues and exclusive access to existing experiences, not available to the general public.
